

Seniors Begin Last Cup Activities, Honors, Dinner Precede Graduation

Five Groups Take Top Float, Skit Honors

Dale Koutsky's Rocket Car Places First in Ma-ie Day Car Decorations

The annual anxiety of Ma-ie Day ended during intermission of the Ma-ie Day Dance Friday night. Student Council president Raymond Hampton announced the winners of the car, float and skit contest and Princess Attira XIX Marilyn Rogers presented the trophies and plaques.

In the float contest Alpha Xi Delta took first place with "O. U. Grows and Grows." The float featured a dachshund coming out both ends of a doghouse. Chi Omega took second with a pink ship and "Bon Voyage into a New Century." The float honored Omaha's centennial celebration.

Sigma Kappa's "O. U. Rockets to the Future" captured third place.

Zeta Tops

Zeta Tau Alpha placed tops in overall contest. The skit gave students an insight into "O. U. in 2053." Taking first in Girl's Division was Chi Omega's "Recipe for Rainbows." Sigma Phi Epsilon's "May Day" was first in the Boy's Division.

Cars Take Awards

Miss Margaret Killian, Paul Beck and Gene Hampton, faculty judges for the cars, chose Dale Koutsky's decorated car for the number one prize. The car had a rocket on the top and crepe paper streamers. Jane Anderson's tepee and Indian silhouettes gained her second spot in the car contest.

Scotchmen and pennants of O'Dean Chastain took third. Placing in the fourth and fifth spots were Jordan Pounds with a tepee on the top of his car, and Subby Caporale with pink and white streamers.

Eddy Haddad played for the annual Ma-ie Day dance at Peony Park. The dance ended the festive day which included the breakfast, Princess presentation, parade and skits.

Syntha Judd was Council chairman of the day.

Choir Tryouts Today

Tryouts for the University Choir will be held today from 2 to 4 p.m. in Room 382. All students are eligible to try out for the choir.

Any student who can not attend the tryout sessions this afternoon should contact Richard Brewer, choir director, for an appointment.

Tryouts were also held yesterday afternoon.

Blood Donors After Record

Omaha University's Blood Drive makes its final try today in an attempt to better last year's total of 297 pints.

Chairman Chuck French stated that he would like to reach the goal of 300.

Donations can be made from 10 to 4 in the West Quonset Hut with each donor scheduled for a fifteen minute appointment. Students under 21 must have their parent's permission to give blood.

Alpha Phi Omega, OU service fraternity, is in charge of the Blood Drive in which all campus organizations compete for the Blood Trophy based on the percentage of members donating to the Drive.

Commencement

Former United States Senator Fred A. Seaton will speak at the University of Omaha's 44th commencement, June 1. Seaton is head of a chain of Nebraska and Kansas newspapers at the present time. He served as U. S. Senator filling the interim following the death of Nebraska's Senator Kenneth Wherry.

He was Harold Stassen's advisor and administrative assistant during the 1948 campaign. He was an advisor to General Eisenhower in 1952.

Baccalaureate

In addition to being former chief of chaplains of the U. S. Navy, baccalaureated speaker and Read Admiral Stanton W. Salisbury was in many of the "firsts" on the OU campus. Enrolled in the first class, 1909, on the first basketball team, first football team, in the first play, and in the first fraternity, he graduated with the first four-year class in 1913.

Salisbury received the first Alumni Association Achievement Award in 1949.

Senior Class Day will open traditional activities for Omaha University's graduates. The Senior day will be next Friday. Jim Townsend is chairman of the day's events.

President Aksel Schmidt will welcome guests at the Senior Day program. Leonore Marx will give a class history. Schmidt will present the class gift, money for the Student Union cornerstone, to President Milo Bail.

Dean Mary Padou Young and Dean Jay B. MacGregor will give the awards. Charlie Ammons, president of the Alumni Association, will tell the graduates and friends of the role of the Alumni.

Ending the program will be the tree ceremony conducted by Hugo Kahn.

Program at 11 a. m.

The program will begin at 11 a. m. on the front steps of the University building. In case of rain the program will be held in the auditorium. It is customary for all seniors to wear their caps and gowns to all classes throughout the day. The caps and gowns will be available in the bookstore Thursday afternoon and Friday morning. The graduation attire must be returned to the Bookstore by 5 p. m. Friday.

Parents, relatives, friends and all University students are invited to the Senior Day program.

"Tophatter's" Dinner-Dance

Thursday, May 28, will bring more celebration for the "Tophatter's of '53." The banquet and dance will be at the Rome Hotel. The continental-style banquet is for graduating seniors only, no guests. The dance following may include outside guests. Eddy Haddad will play for the dance.

Baccalaureate, May 31

The baccalaureate convocation will be held Sunday, May 31, at 5 p. m. in the University stadium. Seniors may pick up their caps and gowns Friday, May 29. The University library will serve as the robing room for the participating seniors. The procession will form at 4:30 in the second floor corridor outside the Library and Business Office.

Seniors are asked to group themselves with students having the same color tassel. The color of the tassel designates the area of the degree.

Reception

An auditorium reception sponsored by the Faculty Women's Club for graduating seniors and their parents will follow the baccalaureate.

Commencement will be Monday, June 1, at 5 p. m. All seniors are asked to be robed and ready for assignment to their place in the procession by 4 p. m. So that each senior will receive the correct diploma Miss Alice Smith and assistants will assign places. This applies to those receiving associate titles, bachelors degrees, and masters degrees.

All caps and gowns should be returned to the Bookstore immediately after the Commencement exercises. Any senior wishing to keep his tassel should pay the Bookstore 35 cents at the time the cap and gown is returned.

All graduates are expected to attend the commencement convocation unless excused for good reason by their academic dean or the chairman of the graduate committee. Any request to be excused must be presented to the deans in writing not later than May 21.

Engraved announcements are available at the bookstore at ten for \$1.45; each additional announcement is 14 cents. University rings may be purchased through the Bookstore.

Good Work

The tension mounted as the master of ceremonies at the dance announced the names of the contestants and some of their interests around campus.

As he introduced one of the girls, he began an oration on her qualities. He said, "Her hobbies are dancing, singing and athletics."

Jean Pettit Rules Over Home Show

Mrs. Jean Pettit has added another queen title to her list. Jean, secretary in the Alumni office, was chosen as the typical Midwest homemaker by directors of the Omaha Builders Exchange, show sponsors.

She will reign over the Midwest Home Show at Ak-Sar-Ben coliseum. The show opened Tuesday and will continue until Sunday.

During her college days at OU, Mrs. Pettit, the former Jean Duncan, was 1950 Homecoming Queen and Queen of the 1951 College World Series.

Early Fall Registration Closes Today—Smith

"Today is the last chance for OU students to register for fall classes," warned Mrs. Alice Smith, Registrar.

Over 600 people have checked out the registration materials during the first two days, which is above average since most students wait until the latter part of the week.

Miss Smith has expressed hope that over half the student body

would enroll during the week.

The time for registration will not be extended except in the case when counselors applied for an extension of time for their students.

All students are urged to register today to avoid the fall rush. A better choice of hours and classes are a few of the benefits of early registration.

The procedure for signing up for fall classes is as follows:

1. Pick up registration forms in the Registrar's office today.
2. Make out a tentative schedule of classes.
3. See counselor.
4. Return the completed forms to the Registrar.

No date has been determined on the availability of summer school registration forms. However, more information should be ready next week.

In the summer, a tuition statement will be sent to the student, and the individual will be responsible for payment before the semester begins.

Moore, Zelenka Get New Jobs

Thomas Moore, '52, has resigned his job in the University's Office of General Printing and Information, effective June 1, Moore, who was editor of the Gateway during his senior semester, will take a position as reporter on the Omaha World-Herald.

Another OU journalism grad, Julie Zelenka, August, '52, made news when her class at Columbia University Graduate School of Journalism published an issue of a New York daily.

Introducing . . . OU's New Family

The family pictured above will dominate the 1953 Tomahawk yearbook. Ouampi is introducing his wife, Ouahama, and son, Tommyhawk, for the first time to OU Indians.

The 1953 annual will be distributed Tuesday, according to Editor Larry Boersma. Students must present activity tickets in order to receive a book.

(1) Judges inspect floats as parade passes through South Omaha; (2) Theta Chi's steamshovel digs for the future; (3) Streetcar stresses Pi Kappa Alpha hopes for new Student Union; (4) Funny, funny, funny what money can do; (5) Chi Omega's theme of Omaha '55 centennial; (6) Ma-i-e Day Princess, Marilyn Rogers; (7) Independents in a shoe; (8) Zeta's engine puffs for the future; (9) Morning parade moves down Dodge Street; (10) Winning Alpha Xi dachshund tops entries.

The Gateway Is You!

This is the last issue of the Gateway for this semester. Usually this space is devoted to apology for what we did not accomplish and praise for the staff and what we did accomplish.

I am going to do neither. What we did not accomplish I am chalking up to "flubs"; what we did accomplish, I am attributing to "all in the line of duty."

This space is devoted to a few inside tips to the students and faculty, not only for next year's Gateway, but for many years after.

1. Demand complete coverage of all school events in the Gateway.
2. Demand all the facts, and accurate facts.
3. Keep on the staff for news happening downtown which affects you or the University. With the addition of a City Desk next year, this will be possible.
4. Above all, read your newspaper. It is your official voice. What is said in its columns travels all over the United States via the exchange desk. Since it is your voice you should know what you say.

The Gateway is not a "yes-yes" fly sheet. There have been many touchy situations brought out by the Gateway, and there will be many more. But its effectiveness is up to you. Agree with its opinions, argue with them—but always voice your own opinion.

Let the Gateway know it's alive. A growing newspaper is a growing University. News has to fill the columns, and where there is news, things are happening.

Campus Calendar

The last week of the school year will be a busy one for University of Omaha students.

Today is the last day of the Alpha Phi Omega blood drive in the West Quonset Hut. Also on the schedule for the day is the Joe College Dance to be held tonight on the front steps.

Tomorrow night the Greeks will be in the spotlight as Zeta Tau Alpha will hold their annual Dinner Dance.

Students will then have a rest until next Wednesday, the night of the All-School Sing, also to be held on the front steps of the University. Omicron Delta Kappa, national men's honorary leadership fraternity, and Wookiya, women's leadership group, will tap for new members at the Sing.

The seniors will take over May 22, as they hold their annual Senior Day. To round out senior activities, there will be the senior class banquet and dance, May 28, baccalaureate, May 31, and finally, commencement, June 1.

Erdkamp, Rasmussen Gain Top Positions on Gateway

Joyce Erdkamp will head the staff of the Gateway for the fall semester, it was announced this week by Clifford Ellis, faculty adviser of the newspaper. Assisting Miss Erdkamp will be Robert Rasmussen who will serve as managing editor.

Both students were approved by the Board of Student Publications at their meeting last week.

On Staff Three Years

Miss Erdkamp is majoring in journalism. A junior, she has worked for three years on the Gateway as reporter, copy reader, assistant society editor, feature editor and news editor. She is presently the managing editor.

Rasmussen has been feature editor this semester. He has held jobs on the staff as reporter, head of the copy desk and news editor. A journalism major, he will graduate in June, 1954.

Weekly Paper To Remain

The policy of a weekly eight-page edition will be continued next year. Lack of funds allotted to student publications has canceled indefinitely the former policy of a bi-weekly newspaper.

The rest of the Gateway staff will be announced by Miss Erdkamp at a later date.

Firms Converge On OU Campus

Over 35,000 people are expected to attend the second Omaha World Trade Fair and Institute to be held at the University of Omaha Fieldhouse from June 9 to 14.

Fifty Omaha firms will display their wares along with 20 national import-export firms. The total number of exhibits will be 150.

The Fair will be open from one to nine p. m. during the six day period.

Every evening, with the exception of Saturday, and on Sunday afternoon the Institute will feature a foreign country with characteristic style shows and folk dancing. These shows will be held in the Auditorium.

Compulsory driver training for all high school students is urged as the surest way to end traffic deaths.

Editors Name Ten Best News Stories of Second Semester

The editors of the Gateway have named the ten news and feature stories which have appeared in the newspaper this semester.

The stories were judged on student interest, information and general news value.

For the first time a sports event took top spot. The write-up of the Omaha U.-Creighton Basketball games rates No. 1 in student interest and information. Greek Week Help Week took second because of information and news value. The project represents the efforts of 400 University students.

Parking Third

Parking rated third. The Parking problem was treated in the news columns, editorials and Letters to the Editors.

The Ma-le Day story on the presentation of Princess Attira XIX moved to the top of the list. This was the first time the Gateway announced the Princess immediately after her crowning.

Fund Drive Rates

The First Fund Drive of the Alumni Association was sixth. Following in order came the April Fool's Story of "Poor Profs Perform," "Debaters Erdkamp and Bednar Win First in NIFA Tourney," the organization of the Red Cross Unit at OU, and the meeting of Pi Gamma Mu and NIFA regional conventions on this campus.

Features rating top mention were radioactive pigment at OU, and Carl Lindquist's views of America. The story which caused the most student response was the grade differences of AF-ROTC and college ratings.

Air Force Team To Recruit Today

The Air Force Aviation Cadet Selection Team will set up headquarters in the Student Center today and Monday to give information and take applications for the Cadet Pilot and Observer trainee program.

In conjunction with the visiting team, a B-47, six engine jet bomber will pass over the campus several times today, weather permitting. The plane will fly at approximately 1500 feet.

Qualifications include being unmarried citizens between 19 and 26 years, when applying and have completed 60 semester hours of college.

Any student who wishes to make application for Pilot or Radar Observer training will be given a preliminary eye exam by the Team. Then he will be flown to Denver for a mental and physical testing. The transportation will be paid by the Air Force.

OU Angels Will Fly Sunday With Two "Ninety-Niners"

Parade Will Include Floats, ROTC Units

The Omaha University ROTC Band, directed by John Vana, the Honorary Cadet Officers and the Honorary Color Guard will represent OU in the Armed Forces parade tomorrow morning.

All participating groups will meet at the Student Center at 9 a. m.

All Angels interested in decorating the car carrying the Honorary Officers should come at 8:30 a. m.

Cadet Lt. Col. Jack Katz and Cadet Lt. Col. Al Kummer will drive the convertible. The Angels must wear their caps and capes.

Several of the Ma-le Day floats will also be in the parade.

The members of the "Angels Flight" will finally have the chance to fly into the wild, blue yonder.

Weather permitting Sunday morning at 10 o'clock, Angels will be taken for airplane rides by Mrs. Laura Russell and Mrs. Day, members of the Ninety-niners, nationwide organization of women pilots. They are associates of Arlene Davis, "Woman of the Year" in aviation.

All Angels who want to fly must receive their parents' permission and sign up today with Maj. Jack Burnett, Sgt. George Atwood, Maj. Robert Whaley or the Cadet O. D. in the staffroom.

Dress is optional. Caps and capes are not required.

"The airplane will probably be of the small aircraft type," said Maj. Burnett. "Cubs and Stinsons will give the Angels a real feeling of flying," he added.

Members will meet at Lang's Hanger at the Municipal Airport at 10 a. m.

ROTC Workshop

Col. Allen Wood and Maj. Jack Burnett will conduct one of 30 AF-ROTC workshops held in the United States, Puerto Rico and Hawaii this summer. The workshop for the seven state midwest area will be at OU.

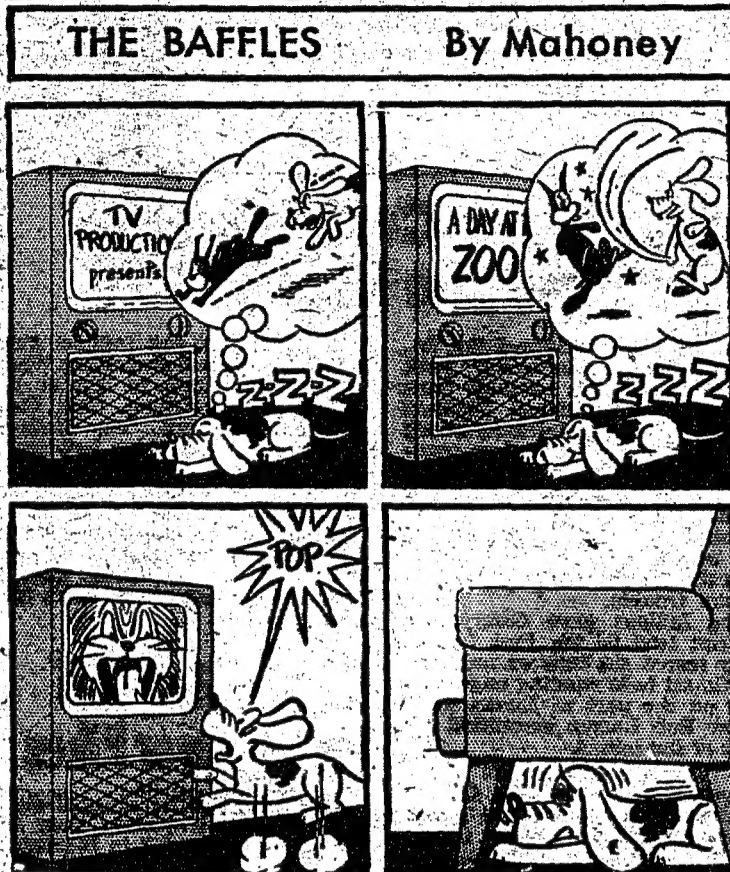

Two purposes of the Workshop are to acquaint ROTC instructors with the new AF-ROTC curriculum, and to improve the quality of instruction.

The Workshop will be held Aug. 3-17.

Dr. Harper Names Lit Mag Editors

Members of next year's Editorial Board for the "Grain of Sand" have been announced. They are Anne McConney, chairman, Wilber Anderson, H. S. Howard, Jean Janzan, and Susan Blvin.

The policy of one issue a semester, and the High School scholarship award for the best short story and poem submitted in the "Grain's" contest will be continued.

Baseballers Meet Bradley Tonight, Saturday at Muny

Bradley University will provide the opposition for the University of Omaha's baseball team tonight and tomorrow at Muny Stadium.

Both games will start at 8 p. m., with the Indians' Dick Davis and Bob Offerjost the probable starting pitchers for the two-game schedule.

The hard-hitting Bradley team has six lettermen on the squad, including Jim Oltman, clubbing third baseman, who boasted a .350 batting average last year.

Bradley coach Leo (The Lion) Schroll will probably send Dale Hatfield to the mound for the boys from Peoria Friday. Saturday's starting pitcher has not yet been revealed.

The heavy hitting Bradley team was ahead of the OU nine in a game last year, which was called at the end of two innings because of rain.

Bradley posted 13 wins and nine losses last year. They are probably the roughest the Indians have had this season.

The Omaha team will complete its home season with a game against Creighton University on May 21.

The Omaha nine will then travel to Storm Lake for a game against tough Buena Vista.

The two teams met, earlier this season, and Omaha gave them a surprising 11-1 trouncing. Big Bob Offerjost pitched against the opposition and limited them to eight hits.

Omaha scored most of their runs off Buena Vista on walks. The team figures to have a much tougher time with the men from Storm Lake in this outing.

The Indian squad will go into the remaining three games still undefeated, and still hoping to better the 11 wins and one lost record that was hung up by the 1950 Omaha team.

No matter what the outcome of the remaining four games, a tribute should be paid to the Omaha team and to Coach Virgil Yelkin for a job well done.

Golfers Tally 7-5 Over Morningside

Jerry Norene led the University of Omaha's golf team to a 7-5 victory over Morningside College Monday at Sioux City.

Norene defeated Walt Wagner 3-0. Wagner was supposed to be a heavy favorite going into the match, but tough Norene held him scoreless.

Norene fired a low 79 for top honors of the day.

Fred Shinrock, Archie Templeton and Don Fitch were the other Omaha golfers to make the trip.

The OU squad played without the assistance of Dean Wilson, leading golfer on the team. Wilson was unable to make the trip.

The Omaha team played Nebraska yesterday, but results of the match were too late for the Gateway's deadline.

Larry Johnson Completes College Career With Hopeful Eye Toward Pro-Football

By Don Digillo

Big Larry Johnson, noted Omaha University athlete, will end his college career this month after four years of successful competition in athletics.

The husky, sports-minded Johnson lettered in football, basketball and track.

His greatest feats are remembered best by OU football fans.

He played four years of top-notch football at the rugged center slot. But he said that his greatest thrill in the pigskin sport came during his freshman year.

With three minutes left in the game, Coach Cardwell sent in his promising freshman.

Gains Touchdown

Larry quickly proved his potential by recovering a fumble and rambling 23 yards for a touchdown.

He was captain of last year's football squad, and at the close of the season he received an honorable mention on the Little All-American team.

Johnson went to school in Valley.

Three of the Indian nine's outfield . . . Aksel Schmidt, Bob Schropp and Bill Duffack. All are former North High players. Schmidt and Duffack are playing their last college season, graduating in June.

Buena Vista, Creighton Fall To Indian Nine Last Week

Buena Vista of Storm Lake, Ia., and Creighton University, both fell to the Indian baseball team in games at Municipal Stadium last week. Omaha defeated Buena Vista 11-1 May 6 and then managed a 10-7 margin over an underrated Creighton team Saturday night.

Bob Offerjost pitched his third win of the season in the game with the Iowans. He was never in serious trouble.

The Indians gave Offerjost a six run lead in the first inning. They scored six runs on only one hit. Smart base running and wildness on the part of Buena Vista hurler Bob Larsen accounted for most of the tallies.

Redden Stands Out

Bugs Redden was the Omaha standout in the Creighton game. He collected three of the team's six hits and ran wild on the bases. He lead off the first inning against pitcher Ron Smith with a tremendous double off the left field wall.

Dick Davis notched his second pitching win of the year, although he was relieved in the ninth inning by Offerjost. Davis had trouble with the Jays, giving up twelve hits and walking eleven.

Buzz Stibbs led Creighton's attack with three hits in six trips to the plate.

Friz Stanek, a freshman hurler, turned in a good relief performance for the losers. He allowed only two hits in five innings and struck out eight.

Indians Outthitted

Ron Smith, who lasted only for three batters in the first inning, was the losing pitcher.

Creighton tallied one run in the ninth inning and loaded the bases with two outs. Offerjost came in then and struck out the final batter on a 3-2 pitch.

The fact that the Indians were outthitted 12-6 is not surprising. They have been outthitted in almost all their games this year. Still, they cannot be beaten. The Indians have a good defensive ball team and so far have kept the opposition from scoring more than an average of two runs a game.

On the other hand, they score most of their runs through speedy and daring base running. This is their only alternative when the hitting is low.

Sig Eps Slug 12-5 Victory Over Pikes

Sigma Phi Epsilon slugged their way to a 12-5 victory over Pi Kappa Alpha May 7 in the men's intramural softball league.

Tom Moisman pitched for the Sig Eps, and helped his own cause by belting a homerun. Jim Townsend also hit a homer for the Sig Eps.

Don Blocker hit a round tipper for the Pikes with one man on in the fifth inning.

It was the first loss for the Pi Kappa Alpha squad.

Sig Eps' protest against the Pawnees went through, thus giving them an undefeated season and a probable tie for the league championship.

Theta Chi won its second straight intramural softball game Wednesday by trouncing Lambda Chi Alpha 16-4.

Merlyn Fratt pitched for the victors, and limited the opposition to five hits. Fratt also hit a homerun, with two men on in the fourth inning.

Theta Chi showed plenty of batting power, and committed only one error.

The season should be finished sometime next week.

Theta Chi will meet the Pawnees, and Sigma Phi Epsilon will tangle with the Independents.

Sigma Phi Epsilon won the intramural softball league.

Intramural softball was at its best this year. Teams were faithful in showing up for games, and the league play was at a fairly high caliber.

The intramural teams should tip their hat to Athletic Director Ernie Gorr for a job well done.

Netmen Defeat Jays 7-0 Monday

Omaha University's tennis team rolled over Creighton University Monday 7-0.

Tom Burk, Don Blocker, Brendan Gallenger, Bill Feddersen and Carl Carlson swept two straight sets from their opponents.

The doubles team of Burk and Blocker, and Carlson and Womer also proved to be too much for the hapless Bluejays as the Indians completed the day by not dropping a single set.

This was Coach Fred Pissasale first stab at coaching, and he proved that he will some day be as good a coach as he was a player in the game of tennis.

OU Trackmen Close Season With Victory

OU Defeats Iowa Cyclones 2-1 Monday

Omaha's baseball team won its eighth straight game last Monday night with a 2-1 upset win over the Iowa State Cyclones. The Big Seven Conference contenders from Ames were decided favorites to stop the Indians winning streak but were stopped by the masterful pitching of Omaha's Bob Offerjost.

Omaha took a 2-0 lead in the fourth inning. Don Claussen led off with a single to left. Don Hansen bunted and Iowa State pitcher Twyman Jones threw wildly to second in an attempt to force Claussen. Hansen got to second and Claussen went to third on the error. John Wren then lined out to centerfield and Claussen scored after the catch. Hansen advanced to third on Bob Schropp's infield roller and scored on a wild pitch.

Schropp cut off a potential Cyclone run in the second inning when he threw out Sammy Long at home. Long was trying to score from second on a single.

For Offerjost, it was his fourth win of the year. He allowed ten hits but scattered them effectively. He pitched best with men on base. Iowa State threatened in six of the nine innings but scored only in the fourth.

Charley Rasmussen tallied the visitors' runs. He singled and advanced on a walk. He scored all the way on a force play at second.

Bugs Redden of Omaha and Bob Taylor of the Cyclones were ejected in the sixth inning for fighting. Chris Salberg, a freshman from Louisville, played second for the Indians the last three innings. His lone putout was the most important one of the contest—it was the last one.

Omaha University trackmen closed the season May 7 with a victory over Peru State Teachers College. The close contest ended 68-62.

Three school records and six meet records were topped in the afternoon of competition, which saw Peru come within a point of taking the lead.

The Indians were handicapped in the field events. Jerry Tannahill, broad jumper, and Doug Alford, top pole vaulter, were both out with pulled leg muscles.

Gerdeman Breaks Record

Bernie Lainson supplied the top scoring with victories in the mile, the 880 and a leg on the mile relay squad. Lainson copped the school record in the half and came within a second of breaking the mile time. The mile relay quartet broke the four-year-old meet record of 3:36.4 with a 3:35.5 effort.

Bob Gerdeman shattered the OU record in the 440 yd. dash in :51.4. The old record of :52.5 was held by Wayne Larsen. Bob Barnes was a bare yard behind the record-breaking Gerdeman.

Roger Dunbler high-jumped six ft. two in., for another school record. He barely missed six ft. three when his foot kicked off the bar on his last attempt.

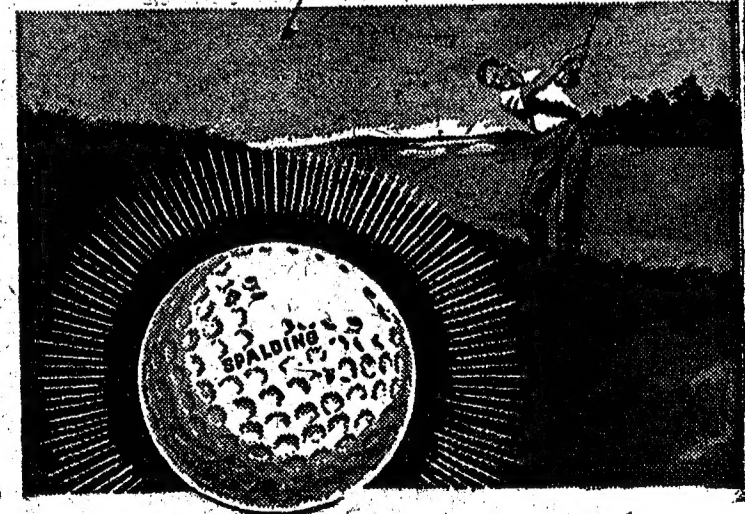

Johnson, Nalty Show

Indian senior Larry Johnson monopolized the field events with a first place in the discus, and seconds in the shot and the javelin. Joe Nalty, also running his last race for OU, was pressed to the wire by Bill Barnes as he won the 100 yd. dash.

Bill came back to win the 220 yd. low hurdles over Eldon McCall with a new meet time of :26.1. The old clocking of 27 flat was held by Bob Schropp and was set in 1952. McCall, the Peru hurdling ace, won the highs over Bill Barnes and set a new meet record in the process. His 15.8 time was better by a second over Roger Dunbler's old record of :16.2.

Peru's scoring came with clean sweeps in the pole vault and the broadjump.

OU Cindermen, Baseballers Complete Prosperous Season

Fifteen Trackmen Letter This Season

By Larry Means

OU trackmen finished their season with a creditable six wins and two second places in meets where points were recorded. Coach Ernie Gorr's boys proved to be the best team in this area at the Drake Relays. In the Sioux City and Doane Relays they beat all the teams entered in individual team performances.

Fifteen men lettered, including the student manager. They were Bob Gerdeman, Bob Barnes, Bill Barnes, Doug Alford, Mel Decker, Roger Dunbler, LaRue Garrett, Dale Giese, Larry Johnson, Bernie Lainsen, Wayne Larsen, Larry Means, Joe Nalty, Jerry Tannahill and team manager Donald Scott.

Barnes Top Point Maker

Of the fourteen athletes, the team will lose three at graduation. Larry Johnson, Joe Nalty and Doug Alford will leave spaces to be filled in the shotput, the sprints and the pole vault.

The top point makers in the 1953 squad were freshman Bill Barnes with 90 points, Joe Nalty with 76, Bernie Lainsen, 74, and Bob Gerdeman, 65. Top man Barnes didn't even enter the Washburn dual or his point spread would have been even greater.

Weight man Larry Johnson ended his track career with 59 points, and last year's leader Roger Dunbler finished with 56 points.

Outlook 'Good'

Gorr said the hopes for a better team next year are very good. The squad will lose only three men from this year's championship group. The incoming freshman talent should bolster the team's standings.

The record breaking mile relay team of Bob Gerdeman, Wayne Larsen, Bob Barnes and Bernie Lainsen will all be back and, according to Gorr, "They should

be one of the best relay quartets to come out of this state."

Gorr said that he has entered high jumper Roger Dunbler, hurdlers Bob Gerdeman and Bill Barnes, Joe Nalty and the mile

relay squad for selection in the N.A.I.A. track meet, which will take place June 5 and 6 at Abilene, Tex. The entries to go will be voted on by the board this week.

DETERMINED PARATROOPER

Fort Meade, Md. — The Army shoed Private Harry Clifford Maynard out of uniform recently for the second time and told him not to come back until after he turns 17. The persistent young would-be paratrooper, from Phelps, Ky., was given his walking papers for the first time last July, after sixteen months of service in the states. He was only 14 when he enlisted, the Army discovered.

Victorious Season Goal of Indians

By Dave Langevin

There are eight down and four to go. This is what the Omaha baseball players are saying today as they enter their final week of the 1953 season. They have won eight straight games and have to win only four more to finish the season undefeated.

Omaha never has had an undefeated baseball season. In 1952, the Indians compiled an 11-2 record. In 1951, they rolled up a 13-1 mark.

This could be the year. And it would be no more than fitting for such a thing to happen, especially when Bob Offerjost is ending his fine four year period as the ace of the Indian mound staff.

Tonight May Decidee

The two biggest games of the year will be played tonight and tomorrow night at Municipal Stadium. Bradley is here for a two game series with the Indians. If Omaha can get the boys from Peoria, their chances for an unbeaten season will be much stronger.

Four rainouts have helped, or perhaps hurt the Indians this year. They might have lost one or more of the postponed contests. On the other hand, they might have won all four of them and thus had an even better record.

The opening game was played six weeks ago, on April 6. Omaha dumped Simpson, 8-1. The next game saw the Indians behind 5-2 in the ninth inning but they rallied for four runs and won 6-5, over Drake. Since then the Indians beat Morningside, 22-0 and 4-0, Iowa Teachers, 4-0, Buena Vista 11-1, Creighton 10-7 and Iowa State, 2-1.

Bob Offerjost has won four of the games. Dick Davis has pitched two victories and Bill Duffack and Chris Salberg each has won one game.

Duffack, a senior outfielder, led the team in runs batted in ten. Don Maseman, Don Claussen and Bob Redden are all tied for second in that department with seven each.

Redden is the leading hitter with an average of .357. Duffack is next with .345 and Claussen is third with .344.

The Brains of the Team

Teamwork can work miracles. In a football game the man who sparks these miracles is the quarterback. He's the man who calls the signals. There's a man who calls the signals for an Air Force flying team, too! They call him an Aircraft Observer.

Do YOU have what it takes to become an Aircraft Observer? It isn't easy. It's tough. You have to be a MAN to qualify as an Aircraft Observer. But when you are one, brother, you're SOMEBODY! The success or failure of a mission involving over a million dollars worth of flight equipment depends on you.

THE AIRCRAFT OBSERVER IS THE SOMEBODY WHO:

As Bombardment Officer, is number one man on a bombing run, the man who controls the plane in the target area!

As Navigation Officer, is the pilot's guiding hand on every flight!

As Radar Officer, is master of a new science and operator of the device that sees beyond human sight!

As Aircraft Performance Engineer, is the one who "keeps the plane flying", the man who knows his plane in-

side and out, who keeps it fit for the skies and sees that it stays there!

If YOU can accept a challenge like this, you'll take your place beside the best—you'll find your future in the clouds!

TO BE QUALIFIED you must be single, a citizen, between 19 and 26½ years old, have had at least 2 years of college and be in tip top physical shape! If this describes you, then YOU, too, can qualify. Today!

HERE'S WHAT YOU'LL GET! The world's best training. Good food and plenty of it. Uniforms, flight clothes, equipment. Medical and dental care. Free insurance. Flight training in Uncle Sam's greatest aircraft.

AND THEN, AFTER GRADUATION, you'll win your silver wings, and earn more than \$5000 a year as an Air Force Lieutenant. You'll enjoy an adventurous, exciting career with a hand-picked crew of real men. You'll be **THE BRAINS OF THE TEAM, A TRIPLE THREAT MAN...** as a Bombardment Officer, as a Navigation Officer, as a Radar Officer, as an Aircraft Performance Engineer.

THE SOONER YOU APPLY, THE SOONER YOU FLY!

GET THE DETAILS: Visit your nearest Air Force Base or Air Force Recruiting Officer. Or write to Director of Training, Headquarters, USAF, Washington 25, D.C., Attention: Aviation Cadet Branch. If you are in a school that has an Air Force ROTC program, see your Professor of Air Science and Tactics.

New secretary for the group is Pat Kavan and Jean Janzan will serve as publicity chairman.

Give Him a No-doze

After an hour of solid lecture the professor still droned on much to the discomfort of the several students in attendance.

Soon, one of the pupils couldn't fight it any longer and drifted off into a fitful slumber.

As the teacher glared down at him, his friend sitting next to him tried to wake him from his sleep. But the prof interrupted and said, "Never mind, I put him to sleep and I'll wake him up."

Business men should not get the idea that the government should not interfere with business. That is like saying the government should not interfere with anything.

OUWI Announces Officers at Banquet

At a banquet last Monday night the Omaha University Women's Intramurals announced their new officers for the school year 1953-54.

The new president is Bev Petersen of Chi Omega. Vice-

president is Barbara Day of Alpha Xi and Helen Howell of Alpha Xi will serve as secretary-treasurer. Betty Ellsworth of Chi O will be publicity chairman.

The banquet was held at the Blackstone Hotel at 6:30. Guest

speaker for the evening was Mrs. Harry Levinson, former Omaha U. physical education teacher. Mrs. Levinson began the P. E. department at OU when the school was housed at 24th and Ames.

Awards for the year were made by Miss Majorie Bauman. Marilyn Rogers of Chi O took several honors. She was the winner of the tennis singles and badminton doubles with Jo Thorson. Tennis doubles have not been played off yet. Marilyn also won the golf championship, the table tennis singles and was co-winner of the table tennis doubles with Pat Smith.

Nancy Land was the winner of the badminton singles and Marilyn Rathke was announced as the winner of the archery tournament. Bowling honors went to Alpha Xi Delta.

Chi Omega took top honors in two sports, basketball and volleyball. They also received the traveling trophy for the best all-round team. This is the third time they received the trophy, but no permanent possession is being given.

Drama Club Meets Today

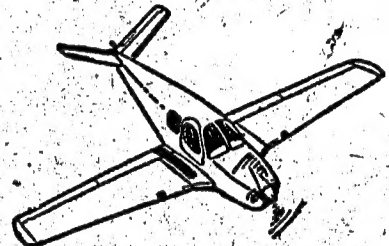

Dramatics awards will be given this afternoon to members of the Alpha Psi Omega, dramatics group. Those receiving the awards are actors or actresses who have appeared in this year's productions.

President Bill Pierson will be in charge of the coffee hour to be held at 3 today in the Faculty Lounge. A committee of faculty members and community people will be the judges.

Awards will be given for the best actress and actor and the best supporting actress and actor. All students are invited to attend.

Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

An inevitable doom has hit the OU elevator again! The lock has been put back on the door to prevent public use.

The experiment of removing the lock has caused so much congestion that the elevator is of little or no value to anyone. The maintenance of the elevator has been unduly heavy, as well as expensive.

The elevator will now be available to only faculty members who have offices on the top floor and handicapped students who present a note from the doctor in the student health department.

Mr. Crane's Economic class was listening intently as the stately professor explained his ideas on the industrial capacity of the United States.

He professed that the theory that America could produce any type of goods superior to any other country was entirely false.

For instance the United States sends posters across the ocean with pictures of beautiful girls with the inscription, "Made in America."
